## Paper Presentations

- Dani R.V., Bhosale R.N. (2010) A need of on line juice-sugar colour measurement in Indian sugar industry. Paper presented at the conference on “Meeting The Challenges of Sugar Production in India” organized as part of Golden Jubilee Celebration of National Federation of Cooperative Sugar Factories Ltd. at New Delhi.
- Patil D. A., Gaikwad K. A., Patil S.V. (2011) Water conservation in distilleries. Paper presented in the Seminar entitled “Water conservation and distillery effluent treatment technologies for achieving zero discharge” organized by AIDA in association with CPCB held at New Delhi.
- Patil S.V. (2010) Technologies for economical treatment of spent wash in distilleries Paper presented at the conference on “Meeting the challenges of sugar production in India” organized as part of Golden Jubilee Celebration of National Federation of Cooperative Sugar Factories Ltd. at New Delhi.
- Patil S.V. (2010) A biogas based cogeneration/tri-generation approach for improving the energy efficiency of distilleries Paper presented in the workshop on “Power generation from Biogas in distilleries” organized by AIDA in Pune.
- Patil S.V., Takate D.R., Godage R.V., Kadam M.L. (2011) Importance of water treatment in distilleries Paper presented in the workshop on “Water conservation and distillery effluent treatment / echnologies for achieving zero discharge” organized by AIDA in association with CPCB at New Delhi.

## Poster Presentations

- Hapase P.R. , Hapase R.S. (2010) Evaluation of sugarcane seedlings from bi-parental crosses using different substrates. Poster presentation in 9<sup>th</sup> Joint convention of STAI and SISSTA.
- Hapase R.S., Repale J.M., Pawar D.S. , Vasekar V. C., Sreenivasan T. V. (2010) An erect variety ‘CoVSI 9805 (Sharad)’ released in Maharashtra state. Poster presentation in 9<sup>th</sup> Joint convention of STAI and SISSTA.
- Hapase R.S., Sushir K.V., Shipurkar N.V., Sreenivasan T. V. (2010) Establishment of sugarcane breeding center. Poster presentation in 9<sup>th</sup> Joint Convention of STAI and SISSTA.
- Pawar B.H., Vasekar V.C., Hapase R.S. (2010) Evaluation of genotypes for resistance to smut disease under artificial disease condition Poster Presentation in 9<sup>th</sup> Joint Convention of STAI and SISSTA.
- Sushir K.V., Hapase R.S., Sreenivasan T.V. (2010) Studies on hybrid involving indigenous cane *Saccharum barberi* in saline condition for genetic improvement of sugarcane as an energy crop. Poster presentation in 9<sup>th</sup> Joint convention of STAI and SISSTA.
